Two options for credit transfer (only ECTS – no transfer of grades)

- Course-to-course
- Modules ‚Studies Abroad‘

Course to course credit transfer

- strict restrictions on content, workload and type of exam
i.e. ca. equivalent/comparable to the module of your Cologne degree
- individual academic counselling needed
- Advise/pre-check offered by WiSo Anrechnungszentrum (only after acceptance at the host school)

Modules Studies Abroad

- offers broad course opportunities
- for MSc Business Administration 24 ECTS
- advise offered by the ZIB coordinator
 - > **general rules** (for all study courses at Master level)
 - > **specific rules** (for individual study courses)

Modules ,studies abroad‘ **general rules** (same rules for all study courses at Master level)

only courses at graduate level (with WiSo focus)

only courses with exam, grade and credits (*listed on a transcript by your host school*)

- **no** ,introductory.-courses (see: course title), *pls check with ZIB*
- **no** MSc courses already taken at UoCologne
- **no** Bachelor courses
(in case of 4 yr Bachelor courses, pls check level with ZIB coordinator)
- **no** attendance only courses (i.e. skills seminars without exams, ...)
- **no** language courses

Modules ,studies abroad‘ specific rules for MSc Business Administration (ER/PO 2021)

- Ergänzungsbereich/supplementary section

→ 24 ECTS (4 x 6 ECTS)

full 24 ECTS need to be taken abroad

no courses with academic focus on your Specialisation Section

 combination of Master-level courses in Management and Economics allowed

Pls see [infosheet for credit transfer for Master students](#)

STAP (Studies Abroad Programme): MBA/MSc Business & Economics

Your applicant group **STAP MBA/MSc Business & Economics** with up to 100 partner schools, including

- **MBA schools: request work experience**
minimum requirement: min. 6 months full time work experience (with internships etc)
some MBA schools request more work experience
pre-defined course selection, focus on management practices, focus on in-class discussions and project works, strong team approach, typical MBA cohort will include students with a strong variety of professional backgrounds
- **MSc schools: no work experience required:**
broad selection of courses or specialisation tracks, academic focus will include as well case studies, presentations, group works etc

selection criteria:

61% - Bachelor* final grade

9% - Admission test (TM Wiso, GMAT, GRE)

-> if available (not compulsory) we accept tests taken for Master admission and on a voluntary basis

30% - Evaluation CV (internships, extracurricular activities...) & letter of motivation/study plan

one ranking list for all applicants within the STAP MBA/MSc Business&Economics
for fall 2024
for spring 2025

61% – current MSc grade, only for 2nd yr. MSc students (*STAP applications only accepted in case of longe internships, illness ... , needs to be discussed with ZIB coordinators well in advance*)

„View International Options“ *per school/applicant group (... Business&Economics)*
updates within the coming weeks, until 1 December = start of „STAP application round“

Term dates

-> **for which term abroad (fall or spring) you want to apply**
in case of conflict with Cologne term dates (some students combine with an internship ...)

Subject areas

-> **remember the credit transfer options**
watch out for subject area „Management, Business“. in case of subject area „Economics, you need to take Economics courses abroad (check your academic experiences in Economics)

Study requirements

-> **important infos on course options**
only listed if there is any additional information/requirement

Language requirements

-> **if there any additional* requirements (to the STAP application requirement)**
- in case of higher (C1) English skills (needs to be presented with STAP application)
- in case of language skills other than English (ca. B1 with application -> with need to improvement to reach ca. B2-level (before start of term abroad)

List available
through STAP
[Applic Manual](#) (to
be updated until 1
December)

see [STAP Master Application Manual](#) for standard English requirements for your STAP applicant group
„Business&Economics“ TOEFL, IELTS, Cambridge Certificate

„View International Options‘ *per school/applicant group (... Business&Economics)*
updates within the coming weeks, until 1 December = start of „STAP application round‘

**Work
experience**

-> if more than 6 months expected *pls discuss with ZIB coordinator, whether your profile meets the expectations for work experience for your preferred host school, have your latest CV available.*

Fact sheets

-> infos on expenses, accommodation, courses etc.
we will upload most recent factsheets when they are sent to us by partner schools

Conversion rate

-> only listed for schools not applying the ECTS system
conversion rate from local credits to Cologne credits

**Financial
support**

-> entry if ERASMUS mobility grant will be offered for this school
for all other schools, applications for grants possibles (in spring after selection)

**Experience
reports**

-> experience reports, fall & spring reports in one file
reflects individual experiences, pay special attention on the term/info on accommodation gives a hint on how many students are accepted by this school. (my differ each year)

STAP MBA/MSc Business & Economics: How to prepare

Check your study plan: modules ,studies abroad‘ (see your course catalogue) keep the area open

Check your English certificate

- we accept TOEFL (min 87), IELTS (min 6.0), Cambridge Certificates (min. FCE) older than 2 years
Only in case the partner school does not accept the old test a new test will be necessary
(only applies after communication of selection results, ca mid February)

Check your financial resources you could use for a term abroad

- although tuition fees are exempt, you need to be aware of costs for a term abroad, the level of costs differs significantly depending on choice of school, country, city
- **working student position:** don't expect to keep your working student position during a term abroad via remote/home office.

Check your CV and collect all documentations

Discuss your work experience with the ZIB coordinator if interested in an MBA school

STAP MBA/MSc Business & Economics: your application

for which term abroad? fall 2024 or spring 2025?

-> watch out for term dates, study regulations, experience reports ...). If term dates do not fit (what about an internship)

for which schools abroad? *(final list of schools only available on 1 December)*

-> watch out for subject area, study/work/language regulations ...)

for how many schools abroad?

- > less than 5 schools. If you are only interested in specific schools and not interested in other schools
- > 5 schools. In case of no direct offer for any of your listed 5 schools: a list of alternative offers could become available (only if overall slot capacities allow)

for how many applications per student?

-> **just one! once submitted – no alterations possible!** Only complete applications with all the required documents and submitted before the final deadline can be considered for the selection process

„STAP Master Main Selection“ for academic year 2024/25

opens on 1 December 2023 (new WEX section: ‚my applications‘). Your application

-> new WEX section: ‚my applications/my personal data‘

- enter your personal data/study data
- start your application
- select/start your applicant group (MBA/MSc Business & Economics .. *fall 2024 or spring 2025*)
- select your preferred list of schools
- **start** uploading your application documents

Until final submission of your application, you may just leave and re-enter the database, change your preferred list of schools, re-read your application documents, exchange your application documents until final submission.

Once submitted – no alterations possible!

closes on 15 January 2024 (= final deadline)

STAP Master Application Manual [online](#) / Application documents

1. document ,personal data‘
